Continuing on our journey of driving awareness around everything natural, healthy, environmentally friendly and sustainable, we take great pleasure in announcing the launch of The **Sustainable Hospitality Expo**.

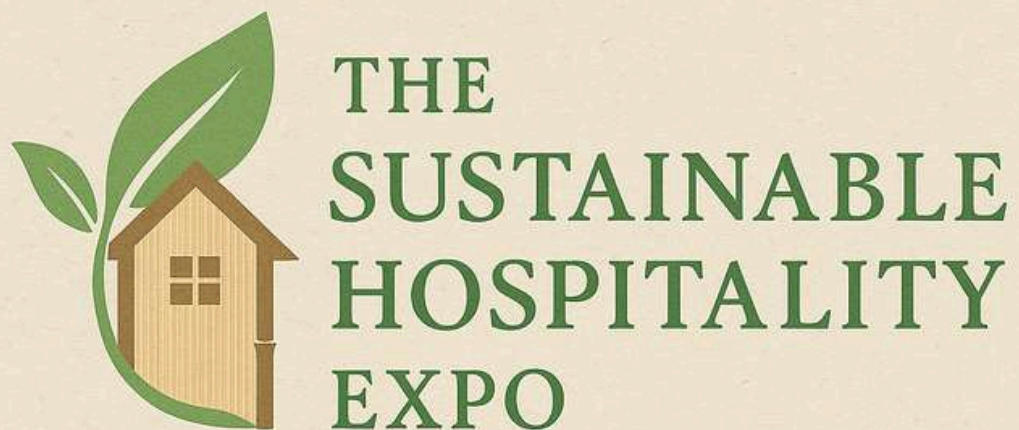

The expo will run inside the Organic & Natural Product Expo Africa, being held at Sandton Convention Centre from the 18th to 20th September.

With many of the products already on offer at the expo having a hospitality focus, this addition opens up opportunity for added buyers from across the hospitality sector, but also for more hospitality-focussed suppliers to exhibit.
